INTERNATIONAL CRICKET COUNCIL

PLAYER ELIGIBILITY REGULATIONS

INTRODUCTION

The ICC is the international federation responsible for the global governance of the sport of cricket and the Player Eligibility Regulations (the “**Regulations**”) are adopted and implemented in order to: (a) clarify the criteria relating to the eligibility of *Players* to represent *National Cricket Federations* in *International Matches* and *ICC Events*; and (b) provide guidance as to the procedures that need to be followed and documents that need to be produced when applying the qualification criteria set out herein.

Unless otherwise indicated, references to Articles and Appendices are to articles and appendices of the *Regulations*. Words in italicised text in the *Regulations* are defined terms and their definitions are set out in Appendix 1.

EXECUTIVE SUMMARY

The following section is an executive summary only of some of the key provisions of these *Regulations* and does not form part of the operative *Regulations* which shall apply and be binding upon all *National Cricket Federations* and *Players* at all times. In the case of any conflict or ambiguity between the language of the executive summary and the *Regulations*, the *Regulations* shall prevail.

A. CORE QUALIFICATION CRITERIA:

A *Player* shall be qualified to play for a *National Cricket Federation* where he/she satisfies at least one of the following requirements:

1. the *Player* was born in the relevant country;
2. the *Player* is able to demonstrate (by his/her possession of a valid passport issued by the relevant country) that he/she is a national of the relevant country; or
3. the *Player* is a *Resident* of the relevant country, in other words:
 - 3.1 the *Player* has resided in the relevant country for a minimum of 183 days in each of the immediately preceding two years (female *Players* only);
 - 3.2 the *Player* has resided in the relevant country for a minimum of 183 days in each of the immediately preceding four years (male *Players* only); or
 - 3.3 the *Player* has resided in the relevant country for a minimum of 183 days in each of the immediately preceding seven years (male *Players* only).

B. ADDITIONAL DEVELOPMENT CRITERIA FOR ASSOCIATE OR AFFILIATE MEMBERS:

In addition, where a male *Player* is seeking to qualify to play for an *Associate* or *Affiliate Member*, he must also satisfy at least one of the following criteria:

4. the *Player* has played in a minimum of 50% of the domestic league matches that his club team was scheduled to play within the relevant domestic structure in any 3 of the preceding 5 domestic league seasons;
5. the *Player* has spent a cumulative total of at least 100 working days in the relevant country coaching cricket, playing cricket or working in the administration or development of cricket in that country in the immediately preceding 5 years; or
6. the *Player* has previously represented the relevant country at Under-19 level or above after satisfying the additional *Development Criteria* in these *Regulations* or similar requirements under predecessor eligibility regulations.

C. REPRESENTING MORE THAN ONE NATIONAL CRICKET FEDERATION:

Nothing in the *Regulations* shall operate to prohibit a *Player* from representing more than one *National Cricket Federation* during his/her playing career. However, the following additional requirements shall apply:

7. where a male *Player* is seeking to qualify to play for a *Full Member*, he must not have participated in an *International Match* for any other *Full Member* during the immediately preceding four years;
8. where a male *Player* is seeking to qualify to play for an *Associate* or *Affiliate Member*, he must not have participated in an *International Match* for any other *National Cricket Federation* (irrespective of its membership status) during the immediately preceding four years, save that in the event that the male *Player* is seeking to return and play for the *Associate* or *Affiliate Member* that he originally played for prior to qualifying to play for a *Full Member*, the four year stand out period referred to in this Article 3.3.2 shall be reduced to two years;
9. where a female *Player* is seeking to qualify to play for any other *National Cricket Federation* (irrespective of its membership status), she must not have participated in an *International Match* for any other *National Cricket Federation* (irrespective of its membership status) during the immediately preceding two years; and
10. no *Player* shall be entitled to seek to qualify for a different *National Cricket Federation* more than once, unless the second qualification sought is for the same *National Cricket Federation* for whom he/she originally played prior to his/her re-qualification.

NOTE: No restrictions shall apply to any male *Player* seeking to qualify to play for a *Full Member* where he has previously participated in an *International Match* for an *Associate* or *Affiliate Member*.

D. SELECTION RESTRICTIONS FOR AFFILIATE AND ASSOCIATE MEMBERS:

11. Except as described in 12, *Affiliate* and *Associate Members* may not select (as a member of a starting XI):
 - 11.1 more than two *Players* in any team who qualify under 3.2, above; or
 - 11.2 more than two *Players* in any team who have previously represented a *Full Member* at Under-19 level or above.
12. When playing: (a) against a *Full Member*; or (b) as part of an *ICC Event* in which other *Full Members* are also participating; or (c) as part of the ICC World Cup Qualifying Tournament or ICC World Twenty20 Qualifying Tournament; or (d) in the ICC Intercontinental Cup or the ICC World Cricket League Championship; or (e) in a *One Day International Match* or *Twenty20 International Match*, then:
 - 12.1 the *Selection Restrictions* in 11 shall not apply; and
 - 12.2 the additional *Development Criteria* set out in Section B shall not apply.

E. FURTHER NOTES:

13. For the avoidance of doubt, none of the additional *Development Criteria* (Section B) or *Selection Restrictions* (Section D) shall apply to female representative teams.
14. The ICC's *Exceptional Circumstances Committee* may determine that an exemption be granted from full compliance with any of the *Core Qualification Criteria* and/or additional *Development Criteria* upon consideration of an application that *Exceptional Circumstances* exist to justify such exemption.

ARTICLE 1 SCOPE AND APPLICATION

- 1.1 All *National Cricket Federations* and *Players* are automatically bound by and required to comply with all of the provisions of the *Regulations* and they shall be deemed to have agreed:
- 1.1.1 to submit to the exclusive jurisdiction of the *Exceptional Circumstances Committee* who will consider applications made to it for *Exceptional Circumstances* pursuant to these *Regulations*;
 - 1.1.2 to submit to the exclusive jurisdiction of the *Judicial Commissioner* or *Appeal Panel* convened under the *Regulations* to hear and determine charges brought (and any appeals in relation thereto) pursuant to these *Regulations*; and
 - 1.1.3 not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submission to the jurisdiction of the *Exceptional Circumstances Committee*, *Judicial Commissioner* or *Appeal Panel*.
- 1.2 In addition, all *Players* (through their participation in an *International Match*) shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Regulations*, including what constitutes an offence under the *Regulations*.
- 1.3 It is acknowledged that certain *National Cricket Federations* may promulgate other rules that govern the eligibility of *Players* to represent their national representative teams and that particular circumstances may implicate not only the *Regulations* but also such other rules that may apply. For the avoidance of doubt, *National Cricket Federations* and *Players* acknowledge and agree that: (a) the *Regulations* are not intended to limit the requirements upon *Players* under such other rules; and (b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of the *Exceptional Circumstances Committee*, *Judicial Commissioner* or *Appeal Panel*.

ARTICLE 2 OFFENCES UNDER THE REGULATIONS

The activity described in each of Articles 2.1 – 2.4 shall amount to an offence under the *Regulations*:

- 2.1 **Selection (as a member of a starting XI or as a non-playing official substitute) of a *Player* in an *International Match* for a *National Cricket Federation* for which such *Player* is not qualified to represent pursuant to any of the applicable criteria described in Article 3.**
- 2.1.1 Failure to comply with Article 2.1 is a *Strict Liability Offence*.
- 2.2 **Selection (as a member of a starting XI or as a non-playing official substitute) of a *Player* in an *International Match* for a *National Cricket Federation* in breach of the *Selection Restrictions* set out in Article 4.**
- 2.2.1 Failure to comply with Article 2.2 is a *Strict Liability Offence*.
- 2.3 **Forgery, manipulation, tampering, manufacture or creation of false or incorrect documents for the purpose of attempting to satisfy any of the applicable criteria described in Article 3.**
- 2.3.1 Failure to comply with Article 2.3 is not a *Strict Liability Offence*. In other words, intent, knowledge, negligence or other fault must be demonstrated in order to establish a breach of Article 2.3.

2.4 Assistance, encouragement, aiding, abetting, covering up, or having any other type of complicity in, any breach of any of Articles 2.1 to 2.3 (inclusive).

2.4.1 Failure to comply with Article 2.4 is not a *Strict Liability Offence*. In other words, intent, knowledge, negligence or other fault must be demonstrated in order to establish a breach of Article 2.4.

2.5 For the avoidance of any doubt any *Attempt* to commit a breach of any of Article 2.1 to 2.4 (inclusive) shall be treated as an actual breach of the relevant Article.

2.6 Where either of the ICC's *Cricket Operations Manager* (in the case of *Full Members*) or the ICC's *Tournament Director* (in the case of *Associate and Affiliate Members*) is considering whether a *Player* is qualified to play in a particular *International Match* or *ICC Event*, he/she shall do so on the understanding that the information and supporting documentation provided by the *National Cricket Federation* and/or *Player* is accurate and up-to-date. However, any acceptance of the validity or accurateness of such information and/or supporting documentation so that a *Player* is deemed qualified to play does not prevent a charge subsequently being brought against a *National Cricket Federation* and/or *Player* in relation to an alleged breach of any of Articles 2.1 to 2.4 (inclusive) where evidence of such offence only arises after it has been accepted that a *Player* is qualified to play. Nor does any such acceptance provide any form of defence to any subsequent charge relating to an alleged breach under these *Regulations*, although it may be taken into account when considering the appropriate sanction (if any) to be imposed in accordance with Article 8.

NOTE: The role of the ICC in relation to player eligibility matters is solely to approve eligibility in respect of ICC Events. In the case of bilateral matches and matches which take place pursuant to the FTP Agreement, player eligibility is to be self-certified by the relevant National Cricket Federation. Notwithstanding this process of self-certification, where a National Cricket Federation has breached these Regulations, the ICC has jurisdiction to take action against such National Cricket Federation in accordance with these Regulations. National Cricket Federations are therefore encouraged to check the status of a Player's eligibility with the ICC's Cricket Operations Manager in advance of the relevant Match.

ARTICLE 3 CRITERIA FOR REPRESENTING A NATIONAL CRICKET FEDERATION

3A Core Qualification Criteria:

3.1 Subject strictly to the *Player's* satisfaction of any of the additional *Development Criteria* set out in Article 3.2 that may also apply, he/she shall be qualified to participate in an *International Match* or *ICC Event* for a *National Cricket Federation* where he satisfies at least one of the following requirements (the "**Core Qualification Criteria**"):

NOTE: The relevant information and documentation required to evidence satisfaction of the Core Qualification Criteria are described in Section 1 of Appendix 2. Where requested, such information (and documentation) must be provided in a timely fashion to the ICC's Cricket Operations Manager (in the case of *Full Members*) or the ICC Tournament Director (in the case of *Associate and Affiliate Members*).

3.1.1 the *Player* was born in the country whose domestic cricket governing body is the *National Cricket Federation*;

3.1.2 at the date of submission of the relevant information to the ICC's *Cricket Operations Manager* (in the case of *Full Members*) or the due date for submission of the selected

squad lists (in the case of *Associate* and *Affiliate Members* whose representative teams are participating in a particular *ICC Event*), the *Player* is able to demonstrate (by his/her possession of a valid passport issued by the relevant country) that he/she is a national of the country whose domestic cricket governing body is the *National Cricket Federation*; or

- 3.1.3** at the date of submission of the relevant information to the *ICC's Cricket Operations Manager* (in the case of *Full Members*) or the due date for submission of the selected squad lists (in the case of *Associate* and *Affiliate Members* whose representative teams are participating in a particular *ICC Event*), the *Player* is a *Resident* of the country whose domestic cricket governing body is the *National Cricket Federation*. For the purposes of this Article, the following *Players* will be deemed to be a '*Resident*' of a particular country:
- (a) a female *Player* who has resided in the relevant country for a minimum of 183 days in each of the immediately preceding two years, shall be deemed to be a "**2-Year Resident**" of that country;
 - (b) a male *Player* who has resided in the relevant country for a minimum of 183 days in each of the immediately preceding four years, shall be deemed to be a "**4-Year Resident**" of that country;
 - (c) a male *Player* who has resided in the relevant country for a minimum of 183 days in each of the immediately preceding seven years, shall be deemed to be a "**7-Year Resident**" of that country; or
 - (d) where the *Player* does not meet any of the criteria set out in Articles 3.1.3(a)–(c), but the *Exceptional Circumstances Committee* determines, in accordance with the procedure described in Article 5, that *Exceptional Circumstances* exist to justify the *Player's* qualification as a 2-Year, 4-Year or 7-Year *Resident* for the purposes of participation in an *International Match* or *ICC Event*.

NOTES:

(1) For the purposes of Articles 3.1.3(a) –(c), the 'immediately preceding' period shall mean the relevant period that immediately precedes the date of submission of the relevant information to the *ICC's Cricket Operations Manager* (in the case of *Full Members*) or the due date for submission of the selected squad lists (in the case of *Associate* and *Affiliate Members* whose representative teams are participating in a particular *ICC Event*). For example, if the selected squad lists are due on 1 April 2011, for a female *Player* to qualify as a 2-Year *Resident*, she must have resided in the relevant country for a minimum of 183 days in the period 1 April 2010 – 31 March 2011 and for a minimum of 183 days in the period 1 April 2009 – 31 March 2010, so that it is not possible for a *Player* to qualify as a 2-Year *Resident* unless she has resided in the relevant country for an minimum period of at least 1½ years. Similarly for a male *Player* to qualify as a 4-Year or 7-Year *Resident*, he must have resided in the relevant country for at least 3½ years (in the case of a 4-Year *Resident*) or 6½ years (in the case of a 7-Year *Resident*).

(2) *Exceptional Circumstances* - For example, if a *Player* resides in a country for 3 continuous years but then moves abroad to attend school or university for a period of time before returning to the original country of residence where he/she resides for a further year, it may be open for the *Exceptional Circumstances Committee* to determine that *Exceptional Circumstances* exist to justify the determination of this *Player* as a 4-Year *Resident* notwithstanding that he/she has not met the continuous 4-Year residency criteria set out in Article 3.1.3(b), above.

If the same *Player* resides in the country for a further 3 continuous years, it may be open for the *Exceptional Circumstances Committee* to determine that *Exceptional Circumstances* exist to justify the determination of this *Player* as a 7-Year *Resident* notwithstanding that he/she has not met the continuous 7-Year residency criteria set out in Article 3.1.3(c), above.

Other factors that the *Exceptional Circumstances Committee* are likely to take into account in the determination of whether *Exceptional Circumstances* exist for these purposes include (without limitation): (a) the length of time that the *Player* may be out of the relevant country; (b) the continuous period of residence in the country before and after any period of absence; (c) the reason for any absence, ie personal, study or work-related; and (d) the presence of previous and/or continuing links/ties between the *Player* and the relevant country and/or to cricket in that country.

3B Additional Development Criteria for male teams representing Associate or Affiliate Members:

3.2 In addition, where a male *Player* is seeking to qualify to participate in an *International Match* or *ICC Event* for a *National Cricket Federation* that is an *Associate* or *Affiliate Member* he must also satisfy, by providing in a timely fashion to the *ICC's Tournament Director* the relevant information and documentation described in Section 2 of Appendix 2, at least one of the following criteria (the "**Development Criteria**"):

3.2.1 the *Player* has played in a minimum of 50% of the domestic league matches that the club team of which he is a member was scheduled to play within the relevant *National Cricket Federation's* domestic structure in any 3 of the immediately preceding 5 domestic league seasons;

NOTE: *If the domestic season runs from 1 April to 1 October each year and the relevant squad list is due on 1 July 2010 (ie mid-way through a domestic season), then, for these purposes, the 'immediately preceding 5 domestic league seasons' shall ordinarily mean 1 April to 1 October in each of 2005, 2006, 2007, 2008 and 2009. However, where the Player has, by 1 July 2010, played in at least 50% of the domestic league matches scheduled for the entire 2010 season, then, notwithstanding that the 2010 domestic season has not been completed by that time, the 'immediately preceding 5 domestic league seasons' shall mean 1 April to 1 October in each of 2006, 2007, 2008, 2009 and 1 April to 1 July in 2010.*

3.2.2 the *Player* has spent a cumulative total of at least 100 working days in the country whose domestic governing body is the *National Cricket Federation* in the immediately preceding 5 years, coaching cricket, playing cricket or working in the administration or development of cricket in that country;

NOTE: *For these purposes: (a) 'immediately preceding 5 years' shall mean the 5-year period that immediately precedes the due date for submission to the ICC's Tournament Director of the selected squad lists; (b) a 'working day' can be any day of the week or weekend provided that for a day to 'count' towards the 100 day requirement, the Player must have worked for eight hours on that particular day; and (c) where the Player is employed in a part-time capacity (or otherwise works for less than 8 hours a day), then any other equivalent combination of days/hours worked may be considered acceptable (eg 200 days working for 4 hours a day).*

For the avoidance of any doubt, any time spent 'training' to play cricket shall not count towards the 100 day requirement.

3.2.3 the *Player* has previously represented the *National Cricket Federation* in either of the following two specific circumstances:

- (a) **prior to 7 July 2006** - in any *International Match* or *ICC Event* (at Under-19 level or above) at all; or
- (b) **on or after 7 July 2006** – in any *International Match* or *ICC Event* (at Under-19 level or above) to which Articles 3.2.1 and/or 3.2.2 of the *Development Criteria* in these *Regulations* (or earlier versions of the same) applied and which the *Player* formally satisfied at the time of participation; or

3.2.4 where the *Player* does not meet any of the criteria set out in Articles 3.2.1 to 3.2.3, but the *Exceptional Circumstances Committee* determines, in accordance with the procedure

described in Article 5, that *Exceptional Circumstances* exist which demonstrate the *Player's* genuine commitment to the development of the sport of cricket in the country whose domestic governing body is the *National Cricket Federation*.

3C Eligibility to represent more than one *National Cricket Federation*:

COMMENT: For the purposes of these Regulations, the following matches shall not constitute an 'International Match':

- any Under-19 national team (or similarly branded U19 XI) match which has been bi-laterally arranged between National Cricket Federations and/or their members, clubs etc;
- any national "A" team, "B" team, 'Academy XI', 'Development XI', 'Chairman's XI' or other similarly branded non-first XI match which has been bi-laterally arranged between National Cricket Federations and/or their members, clubs etc;
- any short-form format of the game other than Twenty20 International Matches, for example, six-a-side cricket, and beach cricket.

so that: (i) no time restriction under Article 3.3.1 shall be applied to any male *Player* that has only ever represented a Full Member National Cricket Federation in any of the matches described herein before he is eligible to qualify to play for another Full Member National Cricket Federation; and (ii) where a male *Player* has previously played for a Full Member National Cricket Federation in an International Match, he shall only be eligible to qualify to play for another Full Member National Cricket Federation after the full four year period following the *Player's* last participation (as a member of a starting XI or as a playing or non-playing official substitute) in an International Match for the original Full Member National Cricket Federation has elapsed.

3.3 Nothing in Articles 3.1 or 3.2 shall operate to prohibit a *Player* from representing more than one *National Cricket Federation* during his/her playing career. However, where a *Player* has represented a *National Cricket Federation* (at Under-19 level or above) and subsequently seeks to play for a different *National Cricket Federation*, the following additional requirements shall apply:

3.3.1 a male *Player* will only qualify to play in an *International Match* or *ICC Event* for a *Full Member National Cricket Federation* if he has not participated (as a member of a starting XI or as a playing or non-playing official substitute) in an *International Match* (at Under-19 level or above) for any other *Full Member National Cricket Federation* during the four years immediately preceding the date of the relevant *International Match* or *ICC Event*;

3.3.2 a male *Player* will only qualify to participate in an *International Match* or *ICC Event* for an *Associate* or *Affiliate National Cricket Federation* if he has not participated (as a member of a starting XI or as a playing or non-playing official substitute) in an *International Match* (at Under-19 level or above) for any other *National Cricket Federation* (irrespective of its *ICC* member status) during the four years immediately preceding the date of the relevant *International Match* or *ICC Event*, save that in the event that the male *Player* is seeking to return and play for the *Associate* or *Affiliate Member* that he originally played for prior to qualifying to play for a *Full Member*, the four year stand out period referred to in this Article 3.3.2 shall be reduced to two years; and

3.3.3 for the avoidance of doubt, the restrictions set out in Articles 3.3.1 and 3.3.2 shall not apply to any male *Player* who is seeking to qualify to play in an *International Match* or *ICC Event* for a *Full Member National Cricket Federation* in circumstances where such

Player has previously played in an International Match or ICC Event for an Associate or Affiliate Member National Cricket Federation.

- 3.3.4** a female *Player* will only qualify to participate in an *International Match* or *ICC Event* for any *National Cricket Federation* (irrespective of its *ICC* member status) if she has not participated (as a member of a starting XI or as a playing or non-playing official substitute) in an *International Match* (at Under-19 level or above) for any other *National Cricket Federation* (irrespective of its *ICC* member status) during the two years immediately preceding the date of the relevant *International Match* or *ICC Event*.
- 3.5** No *Player* shall be entitled to seek to qualify for a different *National Cricket Federation* on more than one occasion, unless the second qualification sought by the *Player* is to represent the same *National Cricket Federation* for whom he/she previously played prior to re-qualification.

NOTE: *This Article therefore prohibits a Player from qualifying to play for country "Z" after he/she has previously played for countries "X" and "Y", but permits a Player re-qualifying to play for country "X" after representing country "Y" in circumstances where country "X" was the original country for whom he/she was originally qualified to represent.*

ARTICLE 4 SELECTION RESTRICTIONS FOR NATIONAL MALE TEAMS REPRESENTING AFFILIATE AND ASSOCIATE MEMBERS

- 4.1** Except in the limited circumstances described in Article 4.2, *Affiliate* and *Associate Members* may not select:
- 4.1.1** more than two *Players* as members of the starting XI for a team chosen to represent its *National Cricket Federation* in an *International Match* or *ICC Event* who qualify as *4-Year Residents*, as described in Article 3.1.3(b); or
- 4.1.2** more than two *Players* as members of the starting XI for a team chosen to represent its *National Cricket Federation* in an *International Match* or *ICC Event* who have previously represented a *Full Member National Cricket Federation* in an *International Match* (at Under-19 level or above).

NOTE: *There is no restriction on: (a) the number of Players who qualify as 4-Year Residents that can be selected by a Full Member National Cricket Federation to participate in an International Match; or (b) the number of Players qualifying as 7-Year Residents that can be selected by any Affiliate, Associate or Full Member National Cricket Federation to participate in an International Match.*

- 4.2** Where an *Affiliate* or *Associate Member* is playing in an *International Match* in any of the following circumstances: (a) against a *Full Member*; (b) as part of an *ICC Event* in which other *Full Members* are also participating; (c) as part of the *ICC World Cup Qualifying Tournament* or *ICC World Twenty20 Qualifying Tournament*, or (d) as part of the *ICC Intercontinental Cup* or the *ICC World Cricket League Championship*, or (e) which is a *One Day International Match* or *Twenty20 International Match*, then:
- 4.2.1** the *Selection Restrictions* set out in Articles 4.1.1 and 4.1.2 shall not apply, so that the relevant *Affiliate* or *Associate Member* may select as many *4-Year Residents* and/or *Players* that have represented *Full Member National Cricket Federations* (at Under-19 level or above) as it wishes in any team representing its *National Cricket Federation* in that particular *International Match*; and

- 4.2.2** the *Development Criteria* shall be suspended for the purposes of that *International Match* only, so that it shall not be a requirement that all *Players* selected to represent the *Affiliate* or *Associate Member* in that *International Match* must meet the additional *Development Criteria* set out in Article 3.2.

ARTICLE 5 EXCEPTIONAL CIRCUMSTANCES

- 5.1** The following may each be exclusively submitted to the *Exceptional Circumstances Committee* by the relevant *National Cricket Federation* for consideration and determination as to whether *Exceptional Circumstances* exist:
- 5.1.1** to justify a *Player's* qualification as a *2-Year, 4-Year, or 7-Year Resident* for the purposes of participating in an *International Match* or *ICC Event* for a representative side of a *National Cricket Federation* in accordance with Article 3.1.3;
 - 5.1.2** which demonstrate a *Player's* genuine commitment to the development of the sport of cricket in the country whose domestic governing body is the *National Cricket Federation* in accordance with Article 3.2.4; or
 - 5.1.3** to justify granting an exemption from full compliance with any of the *Core Qualification Criteria* and/or *Development Criteria* described in Articles 3 and/or 4 for any particular *International Match* or *ICC Event*.
- 5.2** All applications to the *Exceptional Circumstances Committee* must be made on the ICC template form titled 'Application for Exceptional Circumstances', a copy of which is attached at Appendix 7 of these *Regulations*, as soon as possible and, in any event, no later than sixty (60) days prior to the relevant *International Match* or the first *Match* in the *ICC Event* in which the representative side of the relevant *National Cricket Federation* is scheduled to participate in.
- 5.3** The application must be accompanied by all of the relevant documentary evidence and submissions that the *National Cricket Federation* wishes to rely on, including (where applicable), the ICC template form titled 'Data Summary for Resident Players', a copy of which is attached at Appendix 5 of these *Regulations*.
- 5.4** The *Exceptional Circumstances Committee* shall be free to take into account all matters which it deems to be relevant to the application but will not consider itself to be bound by any previous decisions on similar sets of facts. It will evaluate and make a decision as quickly as is reasonably practicable based only upon the documentation that has been presented to it. In the meantime, the *National Cricket Federation* shall not assume that its application for *Exceptional Circumstances* will be granted by a particular time, or at all.
- 5.5** The decision of the *Exceptional Circumstances Committee* will be communicated to the *National Cricket Federation* as soon as is reasonably practicable after it is made. If the application is successful, then the decision will become effective as of the date that the *National Cricket Federation* receives notice of such decision. For the avoidance of doubt, the decision of the *Exceptional Circumstances Committee* is non-appealable and shall be the full, final and complete disposition of the matter and will be binding on all parties.
- 5.6** Any decision that *Exceptional Circumstances* exist may be made with effect for a specified period (which may be for a specific *International Match* or *ICC Event* only) and may be subject to such conditions or restrictions as the *Exceptional Circumstances Committee* may consider appropriate to impose.

ARTICLE 6 INVESTIGATIONS AND NOTICE OF CHARGE

- 6.1** Any allegation or suspicion of a breach of these *Regulations*, whatever the source, shall be referred to the *ICC's Head of Legal* for investigation and possible charge in accordance with Article 6.3.
- 6.2** As part of any such investigation, if the *ICC Head of Legal* reasonably suspects that a *National Cricket Federation* and/or a *Player* has committed an offence under these *Regulations*, he/she may make a written demand to such *National Cricket Federation* and/or *Player* (a "**Demand**") to furnish to him/her any information that is reasonably related to the alleged offence, including, without limitation, copies of all documentation relating to the alleged breach (such as passports, entry visas, relevant employment contracts, records of playing and travel etc). The *National Cricket Federation* and/or *Player* shall cooperate fully with any such *Demand*, including by furnishing the required information within such reasonable period of time as may be determined by the *ICC's Head of Legal*.
- 6.3** Where, following an investigation, the *ICC's Head of Legal* determines that there is a case to answer under Article 2, the *National Cricket Federation* and/or *Player* (as applicable) shall be sent written notice of the following (the "**Notice of Charge**"):
- 6.3.1** that the *National Cricket Federation* and/or *Player* has a case to answer under Article 2;
 - 6.3.2** the specific offence(s) that the *National Cricket Federation* and/or *Player* is alleged to have committed;
 - 6.3.3** details of the alleged acts and/or omissions relied upon in support of the charge;
 - 6.3.4** that (where a case to answer has been determined during an *ICC Event*), any continued selection by the *National Cricket Federation* of the *Player* in that *ICC Event* will be at the *National Cricket Federation's* risk and may be considered as a relevant factor to be taken into account by a *Judicial Commissioner* when considering the appropriate sanction to be imposed for any offence that may subsequently be demonstrated; and
 - 6.3.5** the matters relating to responding to a *Notice of Charge* specified at Article 6.4.
- 6.4 Responding to a Notice of Charge**
- 6.4.1** The *Notice of Charge* shall also specify that, if the *National Cricket Federation* and/or *Player* (as applicable) wishes to exercise its/his/her right to a hearing before a *Judicial Commissioner*, it/he/she must submit a written request for such a hearing so that it is received by the *ICC's Head of Legal* as soon as possible, but in any event within fourteen (14) days of the receipt by the *National Cricket Federation* and/or *Player* of the *Notice of Charge*. The request must also state how the *National Cricket Federation* and/or *Player* responds to the charge(s) and must explain (in summary form) the basis for such response.
 - 6.4.2** If the *National Cricket Federation* or *Player* fails to file a written request for a hearing before a *Judicial Commissioner* by the deadline specified in Article 6.5.1, then it/he/she shall be deemed to have: (a) waived its/his/her entitlement to a hearing; and (b) admitted that it/he/she has committed the offence(s) under these *Regulations* specified in the *Notice of Charge*.
 - 6.4.3** In such circumstances, a hearing before the *Judicial Commissioner* shall not be required. Instead, the *ICC's Head of Legal* shall promptly issue a public decision confirming the offence(s) under these *Regulations* specified in the *Notice of Charge* and the imposition of an applicable sanction from within the range specified in the *Notice of Charge*.

- 6.4.4 Where the *National Cricket Federation* and/or *Player* does request a hearing in accordance with Article 6.4.1, the matter shall proceed to a hearing in accordance with Article 7.

ARTICLE 7 THE DISCIPLINARY PROCEDURE

7.1 Hearings under these *Regulations*

- 7.1.1 Where the *ICC* alleges that a *National Cricket Federation* and/or *Player* has committed an offence under these *Regulations*, and the *National Cricket Federation* and/or *Player* denies the allegation, and/or disputes the sanctions to be imposed for such offence under these *Regulations*, then the matter shall be referred to the *Judicial Commissioner* (who shall not be from the same country as that represented by the relevant *National Cricket Federation*) who shall hear the case sitting alone.
- 7.1.2 The *Judicial Commissioner* shall convene a preliminary hearing with the *ICC* and its legal representatives, together with the *National Cricket Federation* and/or *Player* and its/his/her legal representatives (if any). The preliminary hearing should take place as soon as possible by telephone conference call unless the *Judicial Commissioner* determines otherwise.
- 7.1.3 The purpose of the preliminary hearing shall be to allow the *Judicial Commissioner* to address any issues that need to be resolved prior to the hearing date. In particular (but without limitation), the *Judicial Commissioner* shall:
- 7.1.3.1 determine the date(s) upon which the full hearing shall be held. Save in exceptional circumstances or where the parties otherwise agree, the full hearing should take place no longer than thirty (30) days after the receipt by the *National Cricket Federation* and/or *Player* of the *Notice of Charge*;
 - 7.1.3.2 establish dates reasonably in advance of the date of the full hearing by which:
 - (a) the *ICC* shall submit an opening brief with argument on all issues that the *ICC* wishes to raise at the hearing and a list of the witnesses that the *ICC* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that the *ICC* intends to introduce at the hearing;
 - (b) the *National Cricket Federation* and/or *Player* shall submit an answering brief, addressing the *ICC*'s arguments and setting out argument on the issues that it/he/she wishes to raise at the hearing, as well as a list of the witnesses that it/he/she intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that he/she intends to introduce at the hearing; and
 - (c) the *ICC* may (at its discretion) submit a reply brief, responding to the answer brief of the *National Cricket Federation* and/or *Player* and listing any rebuttal witnesses that the *ICC* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of any other exhibits that the *ICC* intends to introduce at the hearing; and

- 7.1.3.3** make such order as the *Judicial Commissioner* shall deem appropriate in relation to the production of relevant documents and/or other materials between the parties.
- 7.1.4** Subject to the discretion of the *Judicial Commissioner* to order otherwise for good cause shown by either party, or unless otherwise agreed between the parties, hearings before the *Judicial Commissioner* shall: (a) take place at the ICC's headquarters in Dubai, United Arab Emirates; and (b) be conducted on a confidential basis.
- 7.1.5** Each of the ICC and the *National Cricket Federation* and/or *Player* (as applicable) has the right to be present and to be heard at the hearing to be represented at the hearing by legal counsel of its/his/her own choosing. Where there is compelling justification for the non-attendance by any party or representative at the hearing, then such party or representative shall be given the opportunity to participate in the hearing by telephone or video conference (if available).
- 7.1.6** Without prejudice to Article 7.2.2.2, the *National Cricket Federation* and/or *Player* may choose not to appear in person at the hearing, but instead provide a written submission for consideration by the *Judicial Commissioner*, in which case the *Judicial Commissioner* shall consider the submission in its deliberations. However, the non-attendance of the *National Cricket Federation* and/or *Player* (or its/his/her representative) at the hearing, after proper notice of the hearing has been provided, without compelling justification, shall not prevent the *Judicial Commissioner* from proceeding with the hearing in its/his/her absence, whether or not any written submissions are made on its/his/her behalf.
- 7.1.7** The procedure followed at the hearing shall be at the discretion of the *Judicial Commissioner*, provided that the hearing is conducted in a manner which offers the *National Cricket Federation* and/or *Player* a fair and reasonable opportunity to present evidence (including the right to call and to question witnesses by telephone or video-conference where necessary), address the *Judicial Commissioner* and present its/his/her case.
- 7.1.8** Save where the *Judicial Commissioner* orders otherwise for good cause shown by either party, the hearing shall be in English, and certified English translations shall be submitted of any non-English documents put before the *Judicial Commissioner*. The cost of the translation shall be borne by the party offering the document(s). If required by the *Judicial Commissioner*, the ICC shall make arrangements to have the hearing recorded or transcribed (save for the private deliberations of the *Judicial Commissioner*). If requested by the *National Cricket Federation* and/or *Player*, the ICC shall also arrange for an interpreter to attend the hearing. The costs of transcription and interpretation shall be paid by the ICC, subject to any costs-shifting order that the *Judicial Commissioner* may make further to Article 7.3.3.

7.2 Standard of Proof and Evidence

- 7.2.1** The burden of proof shall be on the ICC and the standard of proof in all cases brought under these *Regulations* shall be whether the *Judicial Commissioner* is comfortably satisfied, bearing in mind the seriousness of the allegation that is being made, that the alleged offence has been committed. This standard of proof in all cases shall be determined on a sliding scale from, at a minimum, a mere balance of probability (for the least serious offences) up to proof beyond a reasonable doubt (for the most serious offences).
- 7.2.2** The *Judicial Commissioner* shall not be bound by judicial rules governing the admissibility of evidence. Instead, facts relating to an offence under these *Regulations* may be established by any reliable means, including admissions. The following rules of proof shall be applicable at the hearing:

7.2.2.1 The *Judicial Commissioner* shall have discretion to accept any facts established by a decision of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal as irrebuttable evidence against the *National Cricket Federation* and/or *Player* to whom the decision pertained of those facts, unless the *National Cricket Federation* and/or *Player* establishes that the decision violated principles of natural justice.

7.2.2.2 The *Judicial Commissioner* may draw an inference adverse to the *National Cricket Federation* and/or *Player* who is asserted to have committed an offence under these *Regulations* based on his/her refusal, without compelling justification, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *Judicial Commissioner*) and to answer any relevant questions.

7.3 Decisions of the *Judicial Commissioner*

7.3.1 The *Judicial Commissioner* shall announce his/her decision in writing, with reasons, as soon as possible after the conclusion of the hearing. That written decision will set out and explain: (a) with reasons, the *Judicial Commissioner's* findings as to whether any offence(s) under these *Regulations* has/have been committed and what sanctions, if any, are to be imposed; and (b) the rights of appeal described in Article 9. Any such written decision will be provided to the *National Cricket Federation* and/or *Player* as soon as reasonably practicable.

7.3.2 The *Judicial Commissioner* shall have discretion to announce the substance of his/her decision to the parties prior to the issue of the written reasoned decision referred to in Article 7.3.1 where it deems appropriate. For the avoidance of doubt, however: (a) the *Judicial Commissioner* shall still be required to issue a written, reasoned decision in accordance with Article 7.3.1; and (b) the time to appeal pursuant to Article 9 shall not run until receipt of that written, reasoned decision.

7.3.3 The *Judicial Commissioner* has the power to make a costs order against any party to the hearing in respect of the costs of convening and of staging the hearing and/or in respect of the costs (legal, expert, travel, accommodation or otherwise) incurred by the parties in relation to the proceedings if it considers that such party has acted spuriously, frivolously or otherwise in bad faith. If it does not exercise that power, the *ICC* shall pay the costs of convening and of staging the hearing, and each party shall bear its own costs (legal, expert, travel, accommodation or otherwise).

7.3.4 Subject only to the rights of appeal under Article 9, the *Judicial Commissioner's* decision shall be the full, final and complete disposition of the matter and will be binding on all parties.

ARTICLE 8 SANCTIONS

8.1 Where the *Judicial Commissioner* determines that an offence under these *Regulations* has been committed, he/she shall be entitled to impose upon the *National Cricket Federation* and/or *Player* (as applicable) any one or more of the following sanctions that he/she deems appropriate, having regard to all of the circumstances of the case:

8.1.1 a caution, reprimand and/or warning as to future conduct;

8.1.2 in the case of the *National Cricket Federation's* relevant cricket team, the adjustment, overturning or amendment of results achieved in, loss of points earned at, or disqualification from the *International Match* or *ICC Event* in relation to which the offence has been committed and/or the imposition of a suspension from participation in any future *International*

Match(es) or *ICC Events* and/or the relegation/removal from any ICC World Cricket League Division (or qualifying tournament thereto);

- 8.1.3** in the case of the *Player*, the imposition of an appropriate period of *Ineligibility* (which may be imposed immediately or at such other point in time as may be appropriate in the circumstances, eg once the *Player* has subsequently qualified to play for the relevant country in accordance with the *Regulations*); and/or
- 8.1.4** such other sanctions as the *Judicial Commissioner* shall consider appropriate, having regard to all of the circumstances of the case.
- 8.2** Having determined that an offence under these *Regulations* has been committed, prior to determining the applicable sanction(s) that are to be applied under Article 8.1, the *Judicial Commissioner* will first determine the relative seriousness of the offence, including identifying all relevant factors that he/she deems to either aggravate or mitigate the nature of the offence, including (without limitation) whether or not: (a) the *National Cricket Federation* was aware that the relevant *Player* was not qualified to represent it (in the case of an offence under Article 2.1); (b) the *National Cricket Federation* and/or the *Player* has previously been found guilty of any similar offence under the *Regulations* or any predecessor regulations; and/or (c) the *National Cricket Federation* continued to select the *Player* to participate in (and the *Player* did, in fact, participate in) an *International Match* or *ICC Event* taking place after receipt by the *National Cricket Federation* of the *Notice of Charge* issued pursuant to Article 6.3.

ARTICLE 9 APPEALS

- 9.1** Decisions made under these *Regulations* by the *Judicial Commissioner*: (a) that an offence has (or has not) been committed under these *Regulations*; and/or (b) to impose (or not impose) sanctions, including the appropriateness of the sanction imposed for an offence under these *Regulations*, may be challenged solely by appeal as set out in this Article 9. Such decision shall remain in effect while under appeal unless any *Appeal Panel* properly convened to hear the appeal orders otherwise.
- 9.2** The only parties who may appeal a decision of this nature shall be the relevant *National Cricket Federation* and/or *Player* (as applicable) or the ICC's *Chief Executive Officer* (or his/her designee).
- 9.3** Any notice to appeal under this Article must be lodged with the ICC's *Head of Legal* within 48 hours of receipt of the written decision of the *Judicial Commissioner*. Thereafter, the following will apply:
- 9.3.1** Within 7 days of receipt of a notice to appeal, the ICC's *Head of Legal* will appoint three members of the ICC's *Code of Conduct Commission* who shall act as the *Appeal Panel* in this matter.
- 9.3.2** The provisions of Article 7, applicable to proceedings before the *Judicial Commissioner*, shall apply *mutatis mutandis* (ie with changes deemed to have been made as required to reflect the different context) to appeal hearings before the *Appeal Panel*.
- 9.3.3** The *Appeal Panel* shall hear and determine all issues arising from any matter which is appealed pursuant to this Article on a *de novo* basis, ie it shall hear the matter over again, from the beginning, without being bound in any way by the decision being appealed. For the avoidance of doubt, the *Appeal Panel* shall have the power to increase or decrease, amend or otherwise substitute a new decision on the appropriateness (or otherwise) of the sanction imposed at first instance by the *Judicial Commissioner*, provided that (if appropriate) any new sanction must be within the permitted range of sanctions set out in Article 8.

- 9.3.4** Appeal hearings pursuant to this Article should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than fourteen (14) days after the appointment of the *Appeal Panel*.
- 9.3.5** The *Appeal Panel* shall have the power to order some or all of the costs of the appeal proceedings (including the costs of holding the hearing, any interpretation costs, the legal and/or travel/accommodation costs of the *Appeal Panel* and/or any other relevant parties) to be paid by the appealing party if he/she considers that such party has acted spuriously, frivolously or otherwise in bad faith.
- 9.3.6** Any decision made by the *Appeal Panel* under this Article 9.3, shall be the full, final and complete disposition of the matter and will be binding on all parties.

ARTICLE 10 ICC'S PLAYER ELIGIBILITY DATABASE

- 10.1** Where required, each *National Cricket Federation* must certify that each *Player* selected to participate in any *International Match* or *ICC Event* meets the *Core Qualification Criteria* (and, where applicable, the additional *Development Criteria*) within the timeframe specified (if any), by using the forms provided by the *ICC* and by attaching the relevant documentation described in Appendix 2.
- 10.2** Such certification must be submitted to the *ICC's Cricket Operations Manager* (in the case of *Full Members*) or the *ICC's Tournament Director* (in the case of *Associate* and *Affiliate Members* whose representative teams are participating in a particular *ICC Event*).
- 10.3** Each *Player* that meets the *Core Qualification Criteria* (and, where applicable, the additional *Development Criteria*) will thereafter be either permanently or temporarily registered on the *ICC Player Eligibility Database*, depending upon the manner in which the *Player* satisfies the *Core Qualification Criteria* (and, where applicable, the additional *Development Criteria*) and whether the same *Player* is required to re-apply for qualification at future *International Matches* or *ICC Events*. All *Players* shall be deemed to have agreed, for purposes of applicable data protection and other laws and for all other purposes, to have consented to the collection, processing, disclosure and use of information relating to them, including personal information relating to them, as required to maintain an effective and up-to-date *ICC Player Eligibility Database* and to implement these *Regulations*.

ARTICLE 11 AMENDMENT AND INTERPRETATION OF THE REGULATIONS

- 11.1** The *Regulations* may be amended from time to time by the Executive Board of the *ICC*, with such amendments coming into effect on the date specified by the *ICC*.
- 11.2** The headings used for the various Articles of the *Regulations* are for the purpose of guidance only and shall not be deemed to be part of the substance of the *Regulations* or to inform or affect in any way the language of the provisions to which they refer.
- 11.3** The *Regulations* shall come into full force and effect on 18 September 2013 (the "**Effective Date**"). They shall not apply retrospectively to matters pending before the *Effective Date*.
- 11.4** If any Article or provision of these *Regulations* is held invalid, unenforceable or illegal for any reason, the *Regulations* shall remain otherwise in full force apart from such Article or provision which shall be deemed deleted insofar as it is invalid, unenforceable or illegal.

11.5 These *Regulations* are governed by and shall be construed in accordance with English law. Strictly without prejudice to the arbitration provisions of Articles 5, 7 and 9 of the *Regulations*, disputes relating to the *Regulations* shall be subject to the exclusive jurisdiction of the English courts.
